Job Description

The teaching position will vary according to the school, subject, and/or grade being taught. However, most school teacher jobs contain elements of each of these typical responsibilities including teaching, student management, administrative tasks, and extracurricular activities. All employees agree to follow Board Policy, as well as abide by the rules of the District's Procedural Manual and Common Contract.

General Purpose

To plan, organize, and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic potential.
