Assist other teachers to implement curriculum

Attend a variety of educational workshops, seminars, in-services, ongoing evaluation process, reviewing the position plan, etc., to maintain their professional knowledge

Coordinate a variety of activities (e.g. field trips, transportation, lesson plans, etc.) to ensure the availability of equipment, materials and personnel to achieve objectives

Develop curriculum and/or individual plans for students in collaboration with classroom team (e.g. IEP, Section 504, Health Care Plans, etc.) to provide classroom activities and routines that support individual/group needs and/or deliver services in compliance with established guidelines

Instruct students to improve their success in academic, interpersonal and daily living skills through a defined course of study

Apply best practices for instruction in planning and instructional delivery while focused on equity, culturally responsive practices and trauma-informed care

Maintain classroom equipment, work areas, student files/records (e.g., instructional materials, cleaning work areas/playground, et.) to ensure availability of items, provide reliable information and/or ensure safe and sanitary environment

Model conversation, manners, clean-up activities, listening, etc. to demonstrate appropriate social behavior

Monitor students in a variety of educational settings (e.g. classroom, playground, field trips, etc.) to provide a safe and positive learning environment

Organize indoor/outdoor, quiet/active activities appropriate to age groups for the purpose of actively participating in the learning activities with children

Oversee instructional assistants to provide supervision, training and/or encourage their participation in planning, curriculum development and classroom activities

Participate in a variety of program activities (e.g. family staffing, staff training, planning, communication and evaluation activities, etc.) to convey and/or receive information related to program plan

Prepare teaching materials and related reports (e.g. grades, attendance, anecdotal records, etc.) to implement lesson plans and document student progress

Respond to emergency situations to resolve immediate safety concerns and/or direct to appropriate personnel for resolution

Respond to inquiries from a variety of sources to resolve issues, provide information and/or referrals

Assist other personnel, as may be required, to ensure an efficient and effective work environment
